## **The Great Madagascar Tsingy and Wildlife Adventure**

**14 Day Small Group Tour - Led by Kenny  
Andriamaronjaka**

30 September – 13 October 2017

# The Great Madagascar Tsingy and Wildlife Adventure 2017 Group Tour

A tsingy is a dramatic karst limestone geological feature peculiar to Madagascar, characterised by thousands of sharp, pointy pinnacles protecting deep ravines filled with foliage and rare wildlife.

Led by one of Madagascar's best local guides, our new small group tour is for those with a real sense of adventure and a taste for the truly wild Madagascar. Accommodation is mostly of a surprisingly good standard as you visit some of the island's highly rewarding popular national parks then venture well off the beaten track to see the largest tsingy in Madagascar.

Your group adventure begins in the wonderful Kirindy Reserve which, with eight species of lemur, has the greatest density of primates in the world. Also renowned for its rare birds and reptiles, Kirindy is also the only location where the endangered giant jumping rat is found. This is also the very best place in Madagascar to see the charismatic fossa – a cat-like top predator of lemurs. This impressive predator regularly patrols through the lodge grounds where several individuals have become habituated allowing for very special close encounters and photographic opportunities. The wider region also boasts three species of baobab, epitomised by the iconic Avenue des Baobabs.

Heading further north by road, you reach the amazing Tsingy of Bemaraha - a World Heritage Site of strangely eroded karst limestone peaks containing caves, sunken dry deciduous forests and many lemurs and other species of fauna. Walks in this area are challenging, require a certain amount of agility and are not suited to those with vertigo or mobility issues. Harnesses are provided in order to attach oneself to sturdy cables lining the more precipitous sections. Wildlife highlights may include the acrobatic Decken's sifaka and endangered Madagascar fish eagle. You then travel overland to the town of Antsirabe, famous for its colourful rickshaws and fascinating handicraft workshops where you can learn more about everyday life in Madagascar.

Next the group will travel to the famous rainforest reserve of Perinet to experience a completely different ecosystem and many more special wildlife experiences. The largest species of lemur the indri, which has a haunting whale like call audible over long distances can be easily seen in Perinet Reserve. The nearby primary rainforest of Mantadia National Park will also hopefully provide encounters with the stunning diademed sifaka and black and white ruffed lemur in addition to many other lemurs, endemic birds, huge Parson's chameleons, colourful mantella frogs and fascinating invertebrates such as the giraffe-necked weevil. A fitting finale to a fantastic journey.

# THE GREAT MADAGASCAR TSINGY AND WILDLIFE ADVENTURE GROUP TOUR 2017

*14 DAYS – Led By KENNY ANDRIAMARONJAKA*

## ITINERARY IN BRIEF

- 30 Sep Depart **LONDON (or regional airport)**. Change aircraft in PARIS. Continue to **ANTANANARIVO (TANA)**. O/n RELAIS DES PLATEAUX, BB.
- 01 Oct Morning to visit the TSARASOATRA LAKE for some wetland birdwatching. Lunch at local restaurant and drive south to ANTSIRABE. O/n COULEAR CAFÉ, BB.
- 02 Oct Transfer overland to **KIRINDY RESERVE**. Late Afternoon and evening guided walks in search of wildlife. O/n KIRINDY LODGE, FB.
- 03 Oct Full day of guided walks in the **KIRINDY RESERVE** in search of fossa and other special wildlife. Another evening night walk. O/n KIRINDY LODGE, FB.
- 04 Oct Transfer north to BEKOPAKA, gateway to the **TSINGY OF BEMARAHA NATIONAL PARK**. O/n SOLEIL DE TSINGY, FB.
- 05 Oct Morning pirogue boat trip on the **MANAMBOLO RIVER** and visit to the **PETITE TSINGY**. O/n SOLEIL DE TSINGY, FB.
- 06 Oct Day to explore the **GRAND TSINGY** (Please note this is a very adventurous but rewarding activity). Guests will be required to wear harnesses. Afternoon at leisure to relax. O/n SOLEIL DE TSINGY, FB.
- 07 Oct Transfer south to **MORONDAVA**. Stop at points of interest along the journey including wetlands for birdwatching. Arrive at the **AVENUE OF BAOBABS** to watch the sunset. O/n PALISSANDRE COTE OUEST, FB.
- 08 Oct Transfer to **ANTSIRABE** with stops en route. Afternoon city tour. O/n COULEAR CAFÉ, BB.
- 09 Oct Drive to **TANA** for lunch. Drive to **PERINET RESERVE**. Afternoon / Night walk in **MITSIKINJO FOREST**. O/n ANDASIBE HOTEL, FB.
- 10 Oct Drive to **MANTADIA NATIONAL PARK**. Morning to explore the forest with packed lunch. Afternoon visit to **ANDASIBE** village. Evening wildlife walk. O/n ANDASIBE HOTEL, FB.
- 11 Oct Morning to explore **PERINET RESERVE** in search of the indri and other wildlife. Afternoon at leisure. O/n ANDASIBE HOTEL, FB.
- 12 Oct Morning to explore another part of the **PERINET RESERVE**. Drive back to **TANA** for day use of a room at RELAIS DES PLATEAUX, BB. Later transfer to airport.
- 13 Oct Depart **TANA**. Change aircraft in PARIS. Fly to **LONDON (or regional airport)**.

# THE GREAT MADAGASCAR TSINGY AND WILDLIFE ADVENTURE GROUP TOUR 2017

**Group Leader: KENNY ANDRIAMARONJAKA**

Throughout this tour you will be assisted by local guide Kenny Andriamaronjaka. A highly experienced leader of several years' standing, Kenny's excellent knowledge and never-ending enthusiasm about Madagascar's wildlife and culture as well as excellent spoken English (he has a Master's degree in socio-linguistics) has made Kenny a firm favourite with our clients for many years.

# Reef & Rainforest

## **THE GREAT MADAGASCAR TSINGY AND WILDLIFE ADVENTURE, SMALL GROUP TOUR, LED BY KENNY ANDRIAMARONJAKA, 30 SEPTEMBER – 13 OCTOBER 2017**

Sat 30 Sep Depart LONDON HEATHROW (or other regional airport) on AIR FRANCE flight AF1381 at 0640 to PARIS CHARLES DE GAULLE AIRPORT, arriving at 0900. On arrival, take the shuttle bus to the relevant terminal and connect with AIR FRANCE flight AF934 at 1130 to ANTANANARIVO (TANA) IVATO INTERNATIONAL AIRPORT, arriving at 2305. Met on arrival at the airport and transfer to the hotel.

O/n RELAIS DES PLATEAUX, BB. Situated about 10 minutes' drive from the airport, this comfortable three-star hotel set in exotic gardens offers well equipped, en suite rooms including air conditioning, satellite TV and mini-bar, decorated in Malagasy design using local materials. Other facilities in the hotel include a local handicraft shop, restaurant serving French cuisine and local delicacies,

bar and swimming pool (heated in the cooler months).

Sun 01 Oct Morning pick up and transfer to TSARASAOTRA LAKE (aka. LAC ALAROBIA) in a district of Tana for some unusual Hauts Plateaux birdwatching. Numerous dimorphic egrets and squacco herons can be found alongside the more familiar great- and cattle egrets. Ducks are abundant with white-faced whistling ducks, red-billed teal, knob-billed ducks, fulvous whistling ducks, hottentot teal, and with luck the rare endemic Meller's duck. Also found are swamp warblers, red fody, coucal, Madagascar kestrel, manikins and other endemics. Transfer to a local restaurant in town for lunch. Afternoon transfer (3-4 hours) south through Merina villages and mosaics of rice fields to ANTSIRABE, an attractive Hauts Plateaux spa town founded by Norwegian missionaries and noted for its rickshaws and thermal baths.

(2).../

O/n COULEUR CAFÉ, FB. A relatively new hotel, perhaps the best in Antsirabe. There are five comfortable bungalows with private bathroom, surrounded by beautiful gardens. There is a small restaurant serving traditional Malagasy cuisine. **(Due to numbers and availability the Royal Palace Hotel may be used instead)**

Mon 02 Oct After breakfast transfer 9 -10 hours across changing landscapes and a rural part of Madagascar with stops at points of interest along the way to KIRINDY RESERVE (SWISS FOREST). You will be able to see the different ethnic groups and see how the red soil changes to fertile farming lands around the town of Miandrivazo, where cotton, rice and tobacco are grown. As you get closer to KIRINDY RESERVE you slowly enter the dry deciduous forest ecosystem.

The 10,000-hectare Kirindy reserve is a rare remnant of Madagascar's threatened dry tropical deciduous forest. The reserve contains such oddities as the endangered giant jumping rat (vositse) collected by Gerald Durrell and now resident at Durrell Wildlife (formerly Jersey Zoo), the fossa - Madagascar's largest predator and a member of the civet family, and seven species of nocturnal lemur including the pale fork-marked lemur, Coquerel's dwarf lemur and the smallest of all primates, the pygmy (Madame Berthe's) mouse lemur. Also present are the giant jumping rat, narrow striped mongoose and the hissing cockroach. Kirindy boasts one of the highest density of primates of virtually any forest in the world. Diurnal lemurs include the acrobatic Verreaux's sifaka and red-fronted brown lemur.

(3).../

Kirindy is part of the Menabe forests, also noted for their diverse botany that includes three of the islands seven endemic baobabs, including the giant baobab and the smallest, the bottle baobab. Birding is excellent, and you should see the Madagascar jacana, Coquerel's and crested couas and sicklebill vangas to name a few. You may also see iguanids, chameleons, many skinks, big headed geckos and possibly kapidolo tortoises. The trails are broad and mostly flat, making walking easy. Evening walk to spot nocturnal species.

O/n KIRINDY GITE, FB. Accommodation in a rustic bungalow with ensuite western style toilets. Showers will be en-suite but hot water is not always available. Your impressive nocturnal wildlife encounters should leave you feeling that the night in basic accommodation was well worthwhile. It can be quite cold at night and bedding is minimal – a light sleeping bag or extra clothing is recommended.

Tue 03 Oct

Morning and afternoon guided walks in KIRINDY RESERVE in search of the Verreaux's sifaka and red-fronted brown lemur and other diurnal wildlife. In the early morning and evenings fossa and narrow striped mongooses often pass close to the lodge area in search of water and food scraps. There are at least 8 fossa in the area and several of these individuals have become habituated to human presence as a result of a long term fossa study project. These inquisitive predators often provide outstanding views and photo opportunities in the early mornings and evenings. In the evening take another night walk in search of Kirindy's special nocturnal wildlife. O/n KIRINDY GITE, FB.

(4).../

Wed 04 Oct After breakfast, pick up and transfer (c. 2hrs) to TSIMAFANA. Catch the local ferryboat across the TSIRIBIHINA RIVER, which lasts approximately 45 minutes, to BELO. Upon arrival in BELO stop for lunch at the superb French inspired Mad Zebu restaurant and then continue (4hrs) to the MANAMBOLO RIVER. After a short crossing by ferry arrive at the gateway to the TSINGY OF BEMARAHA. The largest reserve in Madagascar at 152,000 hectares, the tsingy was featured in a National Geographic article in 1987 and is now a UNESCO World Heritage Site. It is mainly visited for its eroded karst limestone pinnacles and sunken forests inhabited by at least six species of lemur including Decken's sifaka, and other wildlife such as eight species of reptile, 53 species of bird, and the predatory fossa. Drive a short way to BEKOPAKA and your hotel.

O/n LE SOLEIL DES TSINGY, FB. A brand new lodge, offering the best accommodation in the area. The lodge has 17 comfortable and spacious bungalows, tastefully decorated with private facilities. There is a spacious bar and restaurant and an infinity pool with wonderful views offering spectacular sunsets.

(5).../

Thu 05 Oct

Drive a short distance back to the MANAMBOLO RIVER. Enjoy a leisurely pirogue ride along the river, discovering caves of geological and cultural interest and listening out for the Madagascar fish eagle's distinctive call that reverberates around the steep gorge walls. Return to the hotel for lunch, Afternoon drive to the PETIT TSINGY. The sunken dry forest here is a good location to see the endemic *Randrianasolo's* sportive lemur in its day roost and groups of beautiful Decken's sifakas and rufous brown lemurs. Return to the hotel in the evening for dinner and perhaps take a night walk in the hotel grounds in search of the recently described Peter's mouse lemur.

Fri 06 Oct

Pick up from the hotel and drive on a very bumpy road (1.5 hrs) to the GRAND TSINGY where the pinnacles can reach a height of 45m (150ft). Walks in this area are challenging, require a certain amount of agility and are not suited to those with vertigo! Harnesses are provided in order to attach oneself to sturdy cables lining the more precipitous sections. The rewards are great, with stunning views, fascinating caverns, interesting flora and wildlife-rich dry deciduous forest areas with species of diurnal and nocturnal lemurs and other wildlife such as mongooses and interesting birds. Return to the hotel in the afternoon for rest and enjoy the rest of the day at leisure. O/n LE SOLEIL DES TSINGY, FB.

(6).../

Sat 07 Oct

After breakfast at the hotel, return by road stopping at points of interest along the way to the TSIRIBIHINA RIVER. Stop for lunch again at the Mad Zebu restaurant and continue south through the Marofandilia Forest towards Morondava. Along the journey stop at the famous twisted baobab and ponds that offer good birdwatching. Arrive at the iconic AVENUE DES BAOBABS at sunset to see these impressive trees (some 800 years old) at their very best. Return to your hotel on the beach in MORONDAVA in the evening.

O/n PALISSANDRE COTE OUEST, FB. A brand-new international hotel located in the Nosy Kely area of Morondava.

Accommodation consists of 30 bungalows made of local materials. The comfortable air-conditioned rooms have private bathroom, satellite TV, safe and mini bar. Facilities at the hotel include a restaurant offering international and local cuisine, bar, spa and swimming pool.

(7).../

Sun 08 Oct After breakfast transfer (7 hours) back to ANTSIRABE with various stops along the journey. In the afternoon enjoy a city tour of ANTSIRABE including a visit to the handicraft workshops such as zebu horn sculpting. O/n COULEUR CAFÉ, FB. **(Due to numbers and availability the Royal Palace Hotel may be used instead)**

Mon 09 Oct Morning transfer back to Tana (3 hours) and continue (4 hours) to ANDASIBE, passing through many villages and rice paddies. This area is famous for ANALAMAZAOTRA RESERVE (aka PERINET). Perinet Reserve contains the largest lemur, the indri and seven other diurnal species, as well as chameleons, amphibians and the elusive Aye Aye (evidence of its presence much more easily seen than the animal itself!).

The reserve is an excellent example of eastern rainforest habitat with many nature trails. Temperatures may become quite cool, especially in the evening and early mornings. Before dinner take an evening night walk which may reveal Goodman's mouse lemurs, furry-eared dwarf lemurs, pygmy chameleons, many endemic frogs, stick insects and other nocturnal species.

O/n ANDASIBE HOTEL, FB. Located close to ANDASIBE-MANTADIA NATIONAL PARK, this relatively new hotel offers accommodation in 12 comfortable and spacious bungalows with private bathroom, satellite TV, safe, mini bar and heating for the cooler months. Each room also has a private terrace. Facilities at the hotel include a restaurant, bar and swimming pool.

(8).../

Tue 10 Oct Drive (1 hour 30 mins) to MANTADIA NATIONAL PARK, 25km to the north. Morning to explore the NATIONAL PARK in search of the diademed sifaka and the black and white ruffed lemur, and other wildlife such as extraordinary leaf-tail geckos and painted mantella frogs. The walking here is a little harder than Perinet, but should be fine if one is fit with no mobility problems. Enjoy a packed lunch in the park and then return to the hotel for a rest. Enjoy another evening walk for those who wish to spot more nocturnal species. O/n ANDASIBE HOTEL, FB.

Wed 11 Oct Morning walk in ANALAMAZAOTRA (Perinet) Reserve to look for the indri and other diurnal species as well as chameleons and odd insects like the giraffe-necked weevil. Return to the hotel for lunch and enjoy the afternoon at leisure. OPTIONAL activities available. O/n ANDASIBE HOTEL, FB. **(Due to numbers and availability a similar alternative hotel may be used instead)**

Thu 12 Oct Enjoy another morning walk in either Perinet or Mantadia reserves perhaps to search for some of the more elusive lemur species such as the beautiful red-bellied lemur and shy eastern bamboo lemur. Bird highlights could also include nuthatch, red-tailed and blue vangas, cuckoo roller, brown mesite, and the stunning pitta-like ground roller. In the afternoon transfer 4 hours back to Tana. On arrival back in Tana check in to RELAIS DES PLATEAUX hotel for day use of a room and the facilities.

Later, pick up from the hotel and transfer to the airport to check in for your departing flight.

Fri 13 Oct Take AIR FRANCE flight AF 935 at 0150 to PARIS CHARLES DE GAULLE. (Flight duration: 11 hours 20 mins) On arrival Connect with onward AIR FRANCE flight AF 1780 at 1325 to LONDON HEATHROW arriving 1345. (or regional airport).

### THE GREAT MADAGASCAR TSINGY AND WILDLIFE ADVENTURE 2017

Minimum group size is 4, maximum 10 plus the tour leader.

<i>Departure Date from the UK</i>	<i>Adult Price</i>	<i>Single Supplement</i>
30 September 2017	£3,581	£650

Prices subject to possible revision. Please call **01803 866965** if you have any queries, would like to secure your place on the tour, and/or if you would like to extend the tour to include other locations in Madagascar or perhaps add a safari in South Africa for large African wildlife.

**Please Note:** This itinerary involves some long overland transfers. This is because we have tried to make the itinerary as robust as possible by not using Air Madagascar's domestic flights to and from Morondava which are very unreliable and likely to change or cancel at the last minute causing disruption to your itinerary. The overland transfers however will add to your experience of Madagascar and enable you to see much more of the country and its different landscapes and culture.

**Please Note:** Most of the transfers on this tour will be in a mini coach, but the transfers to and from The Tsingy of Bemaraha will be in a 4x4 as the road there is only suitable for 4WD vehicles.

**Regional airports:** If you would prefer your flights to depart from a regional airport in the UK e.g. Manchester, Birmingham, Bristol etc or from Paris or any other airport please let us know as we will be pleased to look into the options for you.

**Ground only arrangements:** If you would like to arrange your own international flights from anywhere in the world to Madagascar, we can quote for the tour beginning and ending in Antananarivo on request.

**Post-Tour Extensions** available on request, perhaps for beach relaxation in the Nosy Be area or to the wildlife reserves in the south. Please ask for options.

(10).../

## THE GREAT MADAGASCAR TSINGY AND WILDLIFE ADVENTURE GROUP TOUR 2017

### LOCATIONS MAP

(11).../

## **IMPORTANT NOTES TO ACCOMPANY THE ABOVE ITINERARY**

NB: This itinerary involves some long overland transfers. This is because we have tried to make the itinerary as robust as possible by not using Air Madagascar's domestic flights to and from Morondava which are very unreliable and likely to change or cancel at the last minute causing disruption to your itinerary. The overland transfers however will add to your experience of Madagascar and enable you to see much more of the country and its different landscapes and culture.

NB: The above itinerary and its quoted price are based on specific hotels and lodges. Should there be insufficient availability at the time of booking, or if the lodges over-book their rooms (Madagascar hotels/lodges are notorious for this) alternative hotels and lodges of a similar standard may have to be booked instead, in which case the itinerary and/or price may change.

NB: Prices are based on specific airlines and specific seating classes. The price may change if those are not available at the time of booking. We strongly advise booking early to secure the prices quoted, particularly as the seating classes quoted for are usually the first to be filled.

NB: If your itinerary involves domestic flights with Air Madagascar, an airline which frequently changes its schedules both before and after departure. Flights may be delayed, postponed, cancelled and/or changed to other dates at short (or even no) notice. Reef & Rainforest and our in-country representatives will do all we can to re-organise your tour to mitigate the effects of such schedule changes caused by Air Madagascar (which are entirely out of our control) including organising private charter flights subject to the client agreeing to cover the full cost of such charters. Equally, if new hotel rooms need to be booked due to Air Madagascar schedule changes after departure, the costs for those rooms will be borne by the client or the client's insurers. That is because the hotel rooms already booked for the itinerary will have been paid for by us prior to departure and refunds are not normally forthcoming from hotels for last-minute cancellations or "no-shows". Most other costs arising from such schedule changes by Air Madagascar (such as extra transfers, extra hours of work by our staff, and some replacement excursions) will not normally be passed on to the client.

NB: The quoted price for the above itinerary is based on current airline fares (both international and domestic), fuel surcharges and flight taxes. These (and other tour costs) may be subject to unanticipated increases beyond our control at short notice, either before or after you have booked the tour, in which case the price would need to be revised accordingly.

NB: Prices are based on standard rooms unless otherwise stated in the itinerary. Should you wish to upgrade please let us know.

NB: All itineraries are subject to change without notice to take into account possible airline flight schedule changes which can take place before departure date or during the tour, and other operational factors.

NB: Once the tour has been booked and a deposit paid, any further changes initiated by the client may be subject to additional charges.

NB: Inclusive tours and excursions as stated in the itinerary will have been pre-paid. Once full payment has been made and/or clients are actually at their destination, should clients be disinclined to partake of any inclusive tour or excursion, no refunds will be possible.

NB: Some service providers may require that guests sign an indemnity waiver form and may refuse services if these forms are not signed. Reef and Rainforest Tours cannot give refunds for services not provided due to a refusal to sign such forms.

NB: Excursions marked as 'Optional' are not included in the price.

(12).../

NB: This tour involves some travel in remote areas. This adds to the adventure and increases the opportunity to enjoy a true wildlife experience. However, due to terrain, weather, road conditions, and other factors beyond our control, some elements of the tour may have to be altered. Times of some activities may need to be changed or even cancelled due to the conditions. If an activity is cancelled it will usually be replaced with an alternative activity that is more appropriate for the conditions. Advance notice will be given for any changes where possible, although at times changes may need to be made whilst the tour is in progress.

NB: With any trip involving wildlife it is impossible to guarantee a sighting, but each trip is designed around known habitats. Every effort will be made to ensure a sighting, but cannot be held responsible if no sighting is made due to the wildlife itself, weather, or any other elements beyond our control.

NB: Despite recent improvements, Madagascar still has some accommodation of a lower standards than that normally expected by western travelers, and a precarious infrastructure including unreliable domestic flights, poor telecommunications and bad roads. Many of our tours visit areas well off the beaten track, and therefore far from medical and other services. Trails can often be arduous and slippery, and campsites are usually very basic. Bookings will only be accepted on the understanding that the client accepts Reef and Rainforest Tours has done everything in its power to ensure there are no difficulties, but has no control over standards of some equipment, available accommodation and services, airline reservation policies, flight schedule changes or possible breakdowns in communication in Madagascar.

NB: Before and after booking, clients must familiarise themselves with current UK Foreign and Commonwealth Office (FCO) travel advisories so as to satisfy themselves as to the suitability of the destination(s) to be visited in this itinerary. All decisions relating to the tour will be based on UK FCO advisories, and not those of any other countries' governments. In the event of any emergency or other problem encountered in the destination, it is advisable if appropriate to contact the local UK Embassy, High Commission or Consulate for assistance. The FCO in London also has dedicated telephone call centres: Crisis Management Dept - 0207 008 5335 (during UK office hours), and Global Response Centre - 0207 008 1500 (out of UK office hours).

NB: Adequate insurance cover is mandatory. Please supply us with details of your cover.

NB: It is a condition of booking that full travel insurance including Emergency Medical Repatriation is taken out by each person travelling. Your insurance cover must also include Missed Departure and/or Missed Flight Connection for both outbound and return flight sectors (such cover might be subject to a small additional premium – please confirm with your insurers). We ask that you send us a photo/fax/electronic copy of your policy document together with the 24hr medical assistance telephone number issued by your insurer.

NB: Flight timings are subject to change. Air Madagascar schedules are particularly unreliable and can affect itineraries and connections. Please do not rely on the timings in this itinerary. Check 24hrs before flying (your guide/hotel should be happy to assist).

NB: Visas are now easily obtainable on arrival for EU residents (35 Euros per person at time of writing but subject to change without notice). PLEASE CHECK THE LATEST INFORMATION WITH YOUR LOCAL EMBASSY/CONSULATE.

NB: Tips/gratuities are payable locally.

NB: In some hotels, English will be spoken either badly or not at all.
